I. S.C. State Courts

Cases involving \$7,500 or less may be filed in Magistrates Court; all others filed in Circuit Court. Appeals process: Magistrates Court -> Circuit Court -> S.C. Court of Appeals -> S.C. Supreme Court.

II. Statute of Limitations

(See generally S.C. Code Ann. §15-3-20 et seq.) For personal injury cases, the Statute of Limitations is three years. See S.C. Code Ann. §15-3-530(5). Note: No minimum monetary thresholds exist for either property damage or bodily injury before suit can be brought.

III. Statute of Repose

For causes of action arising before July 1, 2005, the Statute of Repose is thirteen years. For causes of action arising after that date, the Statute of Repose is eight years. See S.C. Code Ann. §15-3-640.

IV. Time to Answer

State Court: Defendant shall serve his answer within 30 days after Complaint served. See Rule 12, SCRPC. Federal Court: Defendant shall serve his answer within 20 days after Complaint served. See Rule 12, FRCP.

V. Removal to Federal Court

Generally, a civil action notice of removal must be filed within 30 days after receipt by the Defendant of the initial pleading. The time to remove begins when the first Defendant is served in actions with more than one Defendant. If the Defendant who is first served fails to timely remove, later-served Defendants are barred. Absent specific circumstances, all served Defendants must join in or consent to the removal within 30 days of service for the case to be removed. See, 28 U.S.C. §1446.

Note: an extension to answer does not extend the time for removal.

VI. Extensions to Answer Complaint

In state court, counsel can agree in writing to one extension that does not exceed 30 additional days. Federal courts essentially provide for the same relief for up to 20 days. However, an extension to answer does not extend the time for removal. See Rule 6, SCRPC; Rule 6.01 and Rule 12.01, Local Civil Rules for the District Court of South Carolina.

VII. Docketing

State Court: Twelve months after filing, a case is automatically transferred to the jury trial docket. Federal Court: Cases are assigned to a judge who immediately issues a scheduling order.

VIII. Venue

For causes of action arising after July 1, 2005, venue is proper in the county where:

- 1) the most substantial part of the act/omission giving rise to the cause of action occurred;
- 2) the defendant resides or maintains its principal place of business at the time the cause of action arose; or
- 3) the plaintiff resides at the time the cause of action arose if the defendant is a non-resident or lacks authority to do business in South Carolina. S.C. Code Ann. §15-7-10 et seq.

IX. Offers of Judgment

Any party may file an offer of judgment. If a timely offer is rejected and the offering party obtains a verdict at least as favorable as the rejected offer, the offeror shall be allowed to recover:

- 1) administrative, filing or other court costs from the date of the offer until judgment; and
- 2) for plaintiffs, 8% interest compounded on the amount of verdict from the date of the offer until the date of the verdict; or
- 3) for defendants, a reduction in the amount of the judgment or award of 8% interest compounded from the date of the offer until the date of the verdict. See Rule 68, SCRPC.

X. Mediation

As of January 1, 2009, mediation is required for state civil actions filed in circuit court in Allendale, Anderson, Beaufort, Colleton, Florence, Greenville, Hampton, Horry, Jasper, Lexington and Richland Counties. Mediation is required in specific S.C. counties for magistrate level civil actions. Generally, all federal civil actions are subject to mediation.

XI. Wrongful Death and Survival Actions

Wrongful death and survival actions are brought by the administrator or executor of the estate and may be tried in one action by consent of the parties. Settlement must be approved by either a probate court, circuit court or U.S. District Court, where appropriate.

XII. Minor Settlements

All settlements with a net amount to the minor over \$25,000 must have circuit court approval. Unless a conservator has been appointed, settlements with a net amount to the minor over \$2,500 require court approval, either probate or circuit. The "net amount" is the total the minor actually receives from the settlement after all expenses, such as attorney fees, costs and medical liens, are considered. S.C. Code Ann §62-5-433. A conservator must be appointed if the minor is to receive more than \$10,000 in any given calendar year prior to age 18.

XIII. Modified Comparative Negligence

Modified comparative negligence: the plaintiff is barred from recovery if his negligence is greater than 50%. Otherwise, the plaintiff's damages are reduced in proportion to his comparative negligence.

XIV. Codefendant Liability

(For causes of action arising on or after July 1, 2005) Joint and several liability does not apply to any defendant whose conduct is determined to be less than fifty percent of the total fault as compared with the total of (i) the fault of all defendants, and (ii) the comparative negligence of plaintiff, if any. A defendant with less than fifty percent of the total fault shall only be responsible for the percentage of the damages determined by the jury or trier of fact. See, S.C. Code Ann. §15-38-15.

XV. Judgment Interest

The legal rate of interest for a judgment is 7.25% from 1/15/10 - 1/14/11.

XVI. Mandatory BI & PD Auto Insurance Limits

25/50/25 See S.C. Code Ann. §38-77-140.

XVII. UM/UIM

UM is mandatory for the minimum limits; UIM is not mandatory. Both UM and UIM must be offered in limits up to the liability coverage elected by the insured. If an insurer does not make a meaningful offer of UM or UIM coverage, the policy will be reformed to include UM or UIM in the amount of the liability coverage. UIM coverage is not subrogable. UIM coverage is generally personable and portable, but not portable from an insured vehicle to an uninsured vehicle owned by the same person. Out-of-state motorists with policy limits less than the S.C. minimum limits are considered uninsured.

Stacking: Class I insureds (Named insured, spouse, and resident relatives) can stack UM or UIM benefits in amounts up to the limits of UM or UIM coverage on the vehicle involved in the accident. S.C. Code Ann. §38-77-150 et seq.

XVIII. Unfair Claims Practices Act

Any of the following acts committed by an insurer without just cause and performed with such frequency as to indicate a general business practice constitute improper claim practices:

- 1) knowingly misrepresenting pertinent facts or policy provisions relating to coverages
- 2) failing to acknowledge with reasonable promptness pertinent communications with respect to claims arising under its policies
- 3) failing to adopt and implement reasonable standards for the prompt investigation and settlement of claims
- 4) not attempting in good faith to effect prompt, fair, and equitable settlement of claims, when liability has become reasonably clear
- 5) compelling policyholders or claimants to institute suits to recover amounts reasonably due or payable with respect to claims arising under its policies by offering substantially less than the amounts ultimately recovered through litigation. S.C. Code Ann. §38-59-20.
