

Workers' Compensation Commission

NOTICE

Due to the realignment of business practices to comply with the budget constraints passed by the General Assembly in the 2009-2010 fiscal year budget, the Commission will be reorganizing the Informal Conference (Viewing) procedure.

There will be no informal conferences scheduled in the month of July for the purposes of consideration of Form 16 settlements. We will handle those matters carried over from the month of July during the month of August.

We are confident our new procedures will provide continued services in an efficient and timely manner. We appreciate your patience during this time of transition. If you have any questions, please do not hesitate to contact Kelly Goodale in the Judicial Department at kgoodale@wcc.sc.gov or 803.737.5734.
