To our Clients and Friends,

The safety of our clients, attorneys, staff and their families is vital. In response to the COVID-19 (coronavirus) pandemic, MGC is dedicated to providing the high-quality legal service and responsiveness our clients expect, without compromising the health and well-being of our team.

With that in mind, all of MGC's offices across the Southeast will continue to operate uninterrupted, with some of our team working on-site while others work remotely through our secure MGC network. We are committed to protecting the health and safety of our employees without compromising our high standards of quality representation and service.

During this time, we will strive to be as transparent as possible, and will continue to provide updates as new events transpire. Please do not hesitate to reach-out to our attorneys, staff or myself with any questions or concerns.

Our thoughts are with you, your families and all those affected.

Sincerely,

Jay Courie | Managing Member
