Brittany D. Moore

ATLANTA, GA

Brittany Moore’s practice focuses on workers’ compensation in the firm’s Atlanta office. “I effectively communicate with clients to identify their needs and goals to create a defense strategy that moves claims forward in a prompt and favorable manner,” she says. “As a litigator, I understand that there is no substitute for the thorough review of discovery, in-depth legal research, case management and a strong attorney-client relationship.”

Prior to joining MGC, Brittany practiced workers’ compensation in Alpharetta and criminal defense throughout Florida. She was also an assistant public defender with Miami Dade Public Defender's Office.

Outside of the office, Brittany enjoys traveling and volunteering with non-profit mentoring organizations such as Women of Westlake and Girls Growing Gracefully.
