

Hernan Diaz-Caballero

ATLANTA, GA

Tony Diaz-Caballero's practice focuses on insurance coverage, trucking and premises liability in the firm's Atlanta office. "I enjoy thinking about the facts and issues of my client's cases," he says. "I run continuous research for the most recent Georgia Supreme Court and Court of Appeals decisions in order to have the most current information and grasp on how the Courts will interpret the facts at the crux of my client's cases."

Prior to joining MGC, Tony practiced insurance coverage, premise liability and construction at a civil litigation law firm in Atlanta. He also practiced at a firm specializing in debt collection. Before that time, Tony practiced as an in-house attorney at an auto insurance agency.

Outside of MGC, Tony enjoys spending time with his wife, Anna, and son, Miguel. He also enjoys playing the guitar and writing about soccer. Tony has a postgraduate degree from the FC Barcelona Johan Cruyff School of Football, which he is using to become a freelance sportswriter.
