J. Logan Osborne

JACKSON, MS

Logan Osborne’s practice focuses on litigation in our Jackson office, where he represents insurance companies, their insureds and businesses in a wide range of civil matters, including premises liability, motor vehicle accidents and commercial disputes. Logan brings a proactive and prepared approach to his work, focusing on anticipating issues early and delivering practical, efficient solutions that protect his clients’ interests.

Prior to joining MGC, Logan gained experience as a law clerk with a plaintiff-side medical malpractice firm, where he worked on complex litigation matters.
