COLUMBIA, SC – McAngus Goudelock & Courie (MGC), a regional insurance law firm, is thrilled to announce its inclusion in the *Great Employers to Work for in North Carolina 2022* list by Best Companies Group, a BridgeTower Media Company. MGC ranked third in the large company category and was selected based on a detailed survey of its employees.

"We are excited and proud to be named in this list," says MGC managing member Jay Courie. "We established our first office in Charlotte in 1998, and today we have nearly 200 attorneys and staff across Asheville, Charlotte, Raleigh and Wilmington. Our growth and success can be directly attributed to our culture, and that is built on teamwork, relationships, innovation and client service."

Best Companies Group's annual award program identifies and honors the best places of employment in North Carolina. The ranking is based on an anonymous employee survey and an analysis of their responses about corporate culture, training and development, salary and benefits as well as overall employee satisfaction.

"These companies prioritize the needs of their employees and treat them as people not numbers, earning them a place on our *2022 Great Employers to Work for in North Carolina* list," said Jaime Raul Zepeda, executive vice president of Best Companies Group. "Our research proves this year's winners are committed to developing a highly-engaged workforce. Congratulations to all of *2022 Great Employers in North Carolina*."
